**Angelica Phillipps**

My daughter is one of the sweetest and kindest people I have ever known. Although a strong person in character and very resilient, she emanates a spirit of tenderness and care to all she comes in contact with. I am very proud of the way she has grown and the independence she evinces as a young lady. She sets high and lofty ideals for herself and makes every effort to accomplish them. There is no doubt with this resolve she has the ability to succeed in whatever endeavor she chooses to achieve.
